

Become a Friend of the Museum!

We made history when we opened March 3, 2023, and we will continue to make history – together – with your help. Our need now is to sustain and nurture this legacy as a gift handed down from generation to generation, and we hope you will consider an annual membership investment for you and/or your family. Our museum has at its core impressive, local, and state historical exhibits that are earning rave reviews already. Traveling exhibits, cultural programming and an unrivaled oral history program play major roles in the vision, engaging audiences from near and far for years to come. While our museum obviously treasures the past, it represents the future for the generations that will follow. You can play an integral part in preserving Pell City's past through your membership. We humbly ask for your continued support, knowing that your investment – just like at the founding – will have a strong and lasting impact.
